

Collaborative Aotearoa

NEWSLETTER

April 2023

Kia ora tatou,

We would like to open our newsletter by sending our absolute heartfelt aroha, and tautoko those working across the motu to support whānau and communities affected by the weather events of the last two months. There is ongoing pressure on an already stretched primary and community sector, and we are here to support your mahi. Kia kaha e te whānau.

Meet our Collaborative Governance members....

Mark Liddle - Co Chair

Irihāpeti Mahuika - Co Chair

Bridget Allan
Co-Design Champion

Our Governance Board includes representatives from our member organisations and wider network. They each share our values and vision of building an equitable future through transforming health and wellbeing outcomes everyday, to ensure whānau flourish.

Dr Andrew Miller
Clinical Lead

Jude MacDonald
Connecting Hapori for Hauora lead

Andrew Swanson-Dobbs
Data and storytelling lead

Collectively they offer an impressive range of diverse skills and experiences that will greatly benefit our mahi.

Gary Sutcliffe
Lived Experience advisor

Whaea Merle Samuels
Lived Experience advisor

Te Ara Ako o Collaborative Aotearoa - Study Tour

From the 10th-27th May 2023, we are embarking on a study tour to learn from international leaders supporting community health and wellbeing in Canada and England. As leaders within Aotearoa, we are keen to capture the practical learnings and strategies from the Ontario Health Teams and Integrated Care Practices. We will be showcasing our equity approach, indigenous leadership, and cross sector knowledge.

The team will be sharing updates on social media throughout the tour on our LinkedIn page below, and also sharing our learning at our upcoming conference in August.
