'They've helped my mind' - rongoā Māori gets boost in Hutt Valley

By Sarah Hunter | The Post
April 2, 2021

I had a really positive experience that exceeded my expectations... while in a safe environment, with continuous support from the team.

- Waimarino, Attended workshop funded by Te Awakairangi, now interning at Manawa Ora.

" I'm not gonna destroy
everyone in my path now...
I'm gonna try and love
everyone and have more
compassion..."

- Ben,
4 treatments

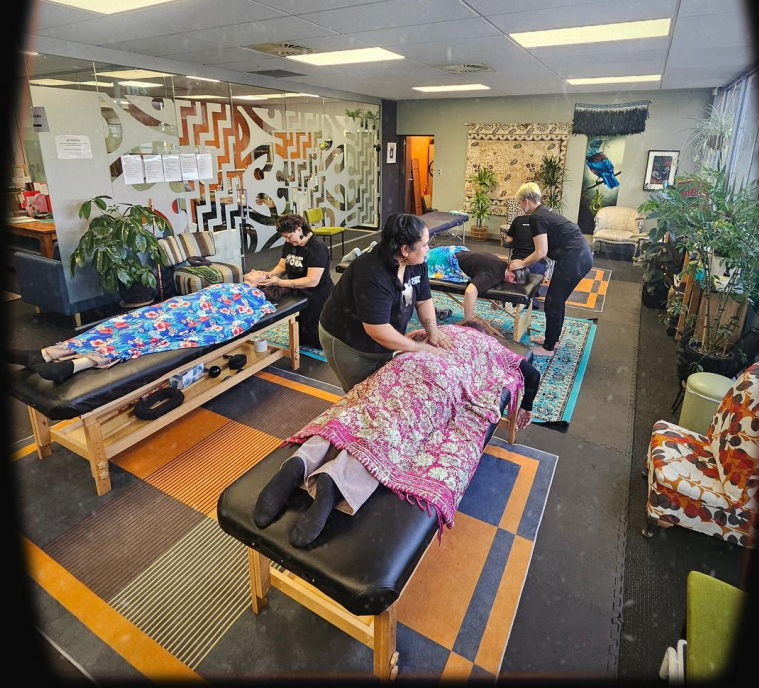

I want to be the active involved Mum, not one that's immobilised or not functioning right in her own mind...

...I'm now more present with my kids and myself...

- Kiwa, 3 sessions
Multiple diagnoses and surgeries

Vision: strong collaboration of leaders committed to building an equitable future, through transforming health and well-being outcomes every day, for all New Zealanders.

Strengthened through:

- Upholding Te Tiriti o Waitangi.
- Whānau-centred models of care and community-led approaches.
- Ensuring Māori and priority populations are partners in the design and delivery of system change and implementation.

Rongoā Māori – partnership opportunity.
